Team EPA,

Any thoughts yet to the options below?

Importance: High

Our thought was that security would divide among the secure vehicle package. With that being said, the original suggestion from Ex. 7(c) could still work, but a little tight. Also added a second option with Ex. 7(e). Please let us know which way you would like to go. Names can be moved around, but to show an example please see below:

Ex. 7(e)
